

# Attention FDA

538 '00 MAR 22 /10:26

It came to my attention that the FDA is being asked to take away my right to sign a medical waiver before purchasing a hearing aid. Instead I would be forced to have a medical exam or hearing test. Here's my views and/or experiences on several related questions?

1. Should I be forced to have a medical exam and/or hearing test before purchasing a hearing aid? If so, should the FDA pay for the exam?

*No, and if I had to they should  
Pay all tests*

2. Some people are physically unable to drive to a doctor or hearing specialist, or have had bad experiences they don't want to repeat. For instance ...

*Some of the up front companies are  
charging up to almost 4 times what they  
should*

3. Should the FDA take away my Constitutional Right, affirmed by the Supreme Court, to decide for myself my medical exams and treatment?

*No*

4. Should I be allowed to purchase hearing aids by mail as I choose?

*yes*

*Thank you for letting me know how these companies are ripping  
the poor & disabled off.*

I have a sister  
who purchased one 5  
of those Miracles for  
you for \$3890.00 and  
they are no better  
than what I have  
from Excel.
